<p>What is the Seattle Preschool Program?</p> <p>Seattle Preschool Program (SPP) sites offer high-quality, affordable preschool to children across the City of Seattle. Tuition is free or on a sliding scale and is based on household size and parent/guardian income.</p> <p>Preschool programs are 6 hours per day, 5 days per week. Flexible schedules, such as part-day or 3 days per week, are not an option. Extended care is available at some sites.</p>	<p>Who is eligible?</p> <ul style="list-style-type: none">• Children who are age 3 or 4 on or by August 31, 2019.• Children who are residents of Seattle. Children residing in unincorporated Seattle, or outside Seattle city limits, are not eligible.• Staff will not ask information about immigration status.

Step 1: Select program type

SPP partners with schools and child care providers to offer preschool for 6 hours per day, 5 days per week. Some programs also offer additional hours. Select the program type that is right for your child.

How many hours do you need preschool or daycare for your child?

I prefer <i>less than 6 hours per day of care and/or less than 5 days per week.</i>	I <i>only require 6 hours of care per day, 5 days per week.</i>	I <i>might need more than 6 hours per day of care during a 5-day week.</i>	I <i>always require more than 6 hours per day of care during a 5-day week.</i>
			
<p><u>STOP</u>, you are not eligible for SPP. Flexible schedules, such as part-day or 3 days per week, are not an option.</p>	<p><u>SELECT</u> SPP Standard or SPP Plus programs. These programs only offer preschool for 6 hours per day, 5 days per week. No extended daycare is available at this site.</p> <p>A SPP Plus program has a smaller class size and a dedicated number of students who receive special education services. It is an inclusive classroom structure with additional staff.</p>	<p><u>SELECT</u> Optional Extended Day programs. These programs offer preschool for 6 hours per day, 5 days per week and has optional extended day care hours available before and after preschool.</p>	<p><u>SELECT</u> Optional Extended Day or Required Extended Day. These programs offer preschool for 6 hours per day, 5 days per week and have optional or required extended day care hours available before and after preschool.</p>
		<p>Any cost for extended day, is determined by the provider and is separate from SPP. <i>Methods of payment for extended day include private pay, DSHS Working Connections Child Care (WCCC) voucher, or City of Seattle Child Care Assistance Program (CCAP) subsidy.</i></p>	

SPP is a tuition-based program.
If any information such as household income or city residency changes, your eligibility status may change as well.

SPP does not offer transportation.
It is the parent/guardian’s responsibility to bring the child to school and to pick up on time.

Step 2: Review Program Providers

Review and select programs that are acceptable for your child if you get placed. The more locations you select, the greater chance you have of being placed.

The sites below are subject to Seattle Public School Board and Seattle City Council review and approval. This list is subject to change.

SPP program hours are subject to change. Please contact the provider or DEEL directly for the most up-to-date information.

Attending SPP in a classroom located in a public school does not guarantee your child will attend that school for kindergarten. For more information on kindergarten, please visit the Seattle Public Schools' website at www.seattleschools.org.
